Dr. **Jeremy Allgrove** is Consultant Paediatric Endocrinologist at The Royal London Hospital and has honorary contracts at Newham General Hospital, Great Ormond Street and Basildon Hospitals.

Jeremy has numerous publications in both books and journals and takes a keen interest in diabetes research, especially immunology, metabolism and IT systems in diabetes.

He is an active member of many national and international diabetes and endocrine organisations including Diabetes UK, BSPED, ESPE and ADA and was a member of the NICE Guideline development group for type 1 diabetes in the UK. He is a member of the Advisory Council for ISPAD.

Jeremy is a trustee of Richard House – London's first respite care hospice for children.

He is married with 4 children.
