Bärbel Aschemeier, RN, MPH works as a Study Coordinator for paediatric clinical trials at the Diabetes Centre of the 'Kinderkrankenhaus auf der Bult' in Hannover.

Currently she is involved in the EU funded TRIGR-Study as well as in the 'Fit von Klein auf' study, a primary prevention study for obesity and type 2 diabetes in preschool children.

She has participated in the 2004 and 2006 ISPAD Science School for Health Professionals and was a member of Local Organizing Committee of the 2007 Annual ISPAD Meeting.

Bärbel trained and worked as a Paediatric Nurse at the 'Zentralinstitut für Diabetes' Karlsburg, in Berlin and Hannover and completed a course in Good Clinical Practice for Study Nurses 2002.

She achieved a Bachelor of Science in Health Communication in 2003 and completed a Master of Public Health at Bielefeld University in 2005.
